Study trip to the IAAPA Trade Show Orlando and to selected water and theme parks in Florida

Monday, 13. 11. until Thursday, 16.11. 2023

For the third time, the European Waterpark Association is using the IAAPA Trade Show in Orlando/Florida as an opportunity for a study trip, during which we want to participate in the IAAPA event programme and also explore some water and theme parks on our own.

Please note: For organisational reasons, the **number of participants is limited to a maximum of 12**. Registrations are possible under "Events" in our **exclusive member area myEWA** at www.ewa.info. Due to the limited number of places, initially a maximum of 2 registrations per company are possible. If there are still places available after the registration deadline, this limit will be lifted.

Important: The participation fee only covers the direct services of the EWA. Flight booking, hotel booking and registration for IAAPA events must be done directly!

Target group:

Managing directors, plant managers, supporting members
